Annual Report
2009

Dustin F. Mellen's Mill
Aiken's Mill
Savage's Mill

By all these names they are, or were known. But none, except possibly Aiken, appear to have made a living from their productiveness. Mellen was unable to make ends meet; neither could Gray, who owned the mills for about two years. And Savage died with them in his possession.

But to these mills the early settlers in Wentworth were greatly indebted for their contributions in the form of lumber, tanning, grinding and even as a clover mill. Maybe Dustin would have made a go of it if he had not been the victim of the disastrous freshet of 1856 that wiped out the mills. The freshet of Monday August 4, 1856, wiped out mills, roads, and several houses along Pond Brook Road and left the stream bed bare to bedrock in much of the area. The water overflowed Mellen's sawmill dam and "formed a channel back of the mill, washing out the foundation of the building on the back side leaving the mill so nearly balanced as to excite the expectation that it would every moment be carried away." By 1857 all hope was lost of making ends meet and it seems it was all downhill from that year onward.

Mark L. Aiken bought the many pieces of the mill rights shortly after the 1856 flood (which by that time consisted of one hundred ninety-five "parts"). Today the mill foundation's impressive remains are visible a short distance south from Route 25A that replaced the Pond Brook Road shortly after the 1856 freshet.

Explanation: If the Town Meeting votes in favor of this article, the reclassification would be conditioned upon the owners of property abutting or served by the road paying for the entire cost of upgrading the road to standards described in the Town's subdivision regulations or Route 25's construction standards, whichever is least stringent. A public hearing would be held within 90 days or such later time as the Town meeting decides at details of the proposed construction or upgrade of the road would be presented, and the abutters would be assessed a proportional cost of the upgrade over a period of 1-10 years, as described by the Board of Selectmen. The abutters would have the right to submit, within 10 days of the public hearing, a petition not to conditionally reclassify the highway.

Motion to table this article was made by Ray Welch, seconded by Steve Davis

Hand count yes - 44 no - 15

Article was tabled indefinitely

24. Shall the Town vote to require that the numeric tally of votes by the Board of Selectmen relative to recommending the operating budget and all warrant articles be printed on the warrant next to the affected warrant articles?

Motion was made by Palmer Koelb, seconded by Randy Morrison.

Hand Count yes - 14 no - too many to count

Article was defeated.

26. To transact any other business that may legally come before the meeting.

Palmer Koelb stated that Robert Murray should be recognized for his many years of service to the Town of Wentworth.

Motion to adjourn the Town Meeting 2009 was made by Ray Welch, seconded by Kathleen Springham-Mack. All were in favor.

Meeting was adjourned by Moderator Steve Welch at 10:31 pm

Respectfully submitted,

Mary E. Davis. Town Clerk/ Tax Collector

Wentworth, N.H. 03282

2009 Selectmen Report

This year was a major challenge for the Town's families and neighbors as they contended with the loss of income and inflation in the costs of goods and services. Early on in the year, your Board of Selectmen resolved to maintain the Town Budget's fiscal integrity and at the same time, maximize our ability to maintain a positive cash balance. While we have been largely successful in meeting these challenges, some explanation is required for the taxpayers to fully understand.

By vote of the Town in the last annual meeting, we also funded Town expenditures and programs in the amount of \$121,004 from the surplus fund balance. By the end of 2009, the Selectmen were also trying to collect over \$98,000 from the State in monies expended by the Town to facilitate the construction of the Silver Bridge. We have only recently received this money so we have had to absorb these costs in the 2009 fiscal year.

The Board also incurred significant legal and administrative cost associated with the collection of monies owed to the Town. These costs were unavoidable, but did result in the collection of monies and liens that justified the additional expenditures.

The Board's financial goals were very difficult to achieve. In spite of the increases in costs and the loss of revenue streams, the Town tax rate was able to be lowered. The coming year will be an even bigger challenge, and the 2010 budget reflects the continued efforts of your Selectmen to maintain fiscal discipline while delivering affordable services to the Town. We ask that voters listen carefully to the reasons behind spending decreases and increases. They will be fully explained during the 2010 budget hearings and the annual Town meeting so everyone can make informed decisions.

A goal of the Board of Selectmen was to complete a full audit of all financial systems and assets of the Town, and make them compliant with new municipal GASB auditing requirements. The Board extends our thanks and congratulations to all Town Officers and the town Administrative Assistant who worked hard to make this happen smoothly and in a timely manner. We are now in full conformity with all accepted auditing practices required by the State.

Road Agent Report

Here we are at the start of 2010, it doesn't seem possible. We finished the winter of 2008-2009 fairly quietly. The last big snow storm was before town meeting. The worst mud season that we have seen yet was last season. The worst conditions were on the upper part of Atwell Hill and Cape Moonshine roads. We used about 300 cubic yards of crushed ravel in these two problem spots. We spent this past summer addressing these problem spots as well, by ditching and adding gravel to them.

After the mud season, when the roads dried out, we started doing our routine maintenance grading, ditch work, and culvert work. We washed all twelve bridge decks, on the top and bottom. We rented an excavator for a week at the end of June. We used it on Cape Moonshine Road, cleaning up ditches, culverts, and also sloping the banks on a hill to make the road wider. After this process, we purchased 800 cubic yards of crushed gravel to add to Cape Moonshine Road, and we had enough to add to the Piermont town line. We had enough to go 4,000 feet on Cape Moonshine Road.

I would like to rent an excavator this summer to do some more work on the upper part of Atwell Hill Road. We need to do this process a little at a time and eventually we can do this work to many of the Town's dirt roads.

We have started working on a Capital Improvement Plan for the town roads. This will prioritize roads that need work starting with the worst roads first. There will be two different priorities; asphalt roads and dirt roads. This plan will also consist of an inventory of culverts, including their length and diameter of each, and the locations.

The residents of Wentworth will see an increase in the highway budget request this year. We need to start some maintenance such as sand seal on the asphalt roads. We also need to start a magnesium chloride program for the dust control, which in turn will save on the maintenance and gravel loss on the dirt roads. During the dry part of this year, with my past experience working for another town, this program works. Additionally, magnesium chloride is better for the environment than calcium chloride.

The first asphalt roads to be improved should be Atwell Hill Road, followed by the big hill on Beech Hill Road to the Warren Town line. These projects will include tree and brush removal, replacing culverts, and adding under-drains and catch basins in problem spots. Then, if needed, add gravel and re-asphalt these roads. We really need to start some of these projects and keep doing a little each year, in order to keep up this maintenance program. We hope the Town will support these goals with their votes at Town Meeting.

We rented a mower again this past fall and mowed the north end of town. We plan on renting a mower again next season under our routine maintenance program. We contracted with a company last year to sweep and pick up sand from the previous winter. With this process, we picked up about two hundred yards of sand from the town asphalt roads and recycled it back into the winter sand pile for this year,

Our highway department equipment is fairly good shape with the exception of the backhoe. Most of the trucks are in good condition, and the grader is like new. We have done work to them replacing brakes, exhaust systems and electrical problems. Much of this work we did ourselves in order to save money, but we needed to have some of the work done at local businesses. We also scraped rust off the dump bodies and repainted them.

The backhoe needs to be replaced before long. The reason is there are problems with metal fatigue and stress cracks on critical structural assemblies. We have welded these to keep the equipment operational. We invested a significant amount of money in the fuel system last spring. This machine has almost 10,000 hours and it just needs to be replaced. All of the construction and most of the repair jobs we perform on town roads rely on this equipment.

The winter maintenance equipment such as plows and sanders are in good shape, with the exception of the plow wings on both trucks. They are both rusted out and cracked. The sanders are in good shape and I am going to do my best to keep them that way.

In closing, I would like to thank my great crew for always being there when they are called upon. Thanks to the towns people for their patience and support, and thanks to my family for their support and understanding for this job.

Respectfully submitted,

Bobby Cass

2009 Planning Board Report

In 2010, two seats on the board will be filled at the March Town Meeting.

In 2009, the Board approved two lot line adjustments, two minor subdivisions, and one major subdivision. which represents a net increase of ten new lots to the community.

The Planning Board recommends an appropriation of \$900.00 for administration, \$600.00 for legal fees, and \$100.00 for other, a total of \$1600.

Respectfully submitted,

•TOWN CLERK-TAX COLLECTOR REPORT 2009•

First of all, I would like to thank everyone for their patience and understanding during this transitional year.

The Town Clerk/Tax Collector's office has an informational email that is sent out periodically. I would like to thank Leslie Backstrom for this great idea. I have followed through on her suggestion and it has become very popular. If anyone wishes to sign up, just send an email to tctcwentworth@yahoo.com and I will put you on the list.

I enrolled our town last June in the states online registration renewal program, called COMPASS, but unfortunately the DMV has put a hold on the program. I will keep trying.

Meanwhile, in order to offer more convenience for everyone, I enlisted the town in the states registration renewals by mail service. This program started in February. If you wish to sign up for these mailings, please contact my office before your registration renewal month.

It has been a pleasure and an honor to serve you this past year and I look forward to serving all of you in the future.

Respectfully submitted,
Donna J. King

2009 Webster Memorial Library Librarian's Report

The library is open on Mondays from 3-8, Wednesdays from 11-4, and Saturdays from 9-12. Patrons can borrow a variety of items including books, audio books, videos, DVDs, CDs, and periodicals. Internet databases such as Ebscohost, HeritageQuest, and NewsBank are available to patrons both in the library and at home, while other databases are only accessible at the library. The library participates in the Inter-Library Loan program and can borrow items from other New Hampshire libraries. Patrons can download audiobooks to computers and many brands of MP3 players through the New Hampshire Downloadable Audio Books consortium, and, in many instances, can burn titles to CD.

A pre-school story hour was held on Wednesday mornings at 10 a.m. for the first half of the year, and a summer reading program was held in July and August. There was also an adult book group which met once a month up until December and will resume in the spring. Trustee meetings are held on the fourth Monday of the month.

High-speed internet access is available at the library. There has been another great increase in the number of computer users this year (currently up to 111 users). There are two public access computers as well as wireless connectivity for patrons with their own laptops.

The library's holdings are as follows:

General Fiction	3234
General Nonfiction	4629
Children's Fiction	2648
Children's Nonfiction	1571
Audio-Visual Materials	1250
Periodicals	40

In 2009, there were 453 cardholders and 1584 visits made to the library, including story hour attendance. Total circulation of library materials was 4323 items:

General Fiction	1595
General Nonfiction	458
Children's Fiction	871
Children's Nonfiction	232
Periodicals	409
Audio-Visual	758

In addition, the library borrowed 195 items from and lent 232 items to other libraries through the ILL program. 33 audio books were downloaded from the New Hampshire Downloadable Audio Books website.

The library acquired 847 items in 2009. Of these, 407 items were gifts. 430 items were added to the general collection, 194 items were added to the children's collection, and 223 items were added to the audio-visual collection. 9 of the 40 periodical subscriptions are also gifts.

I would like to thank Helen Ray, who faithfully volunteers at the library and also Angela Comeau, who ran the pre-school story hour for the first half of the year.

Respectfully submitted,

Nance Masterson, Librarian

Webster Memorial Library Trustees Report 2009

In 2009, Webster Memorial Library has continued to serve patrons in a wide variety of ways. The collection of books, magazines, movies and documentaries are maintained and current selections added by our librarian, Nance Masterson. Also available to our patrons are research materials, including the New Hampshire collection, and current area newspapers.

In addition to the library collection, computers with high-speed Internet access are available for patron use. Also available is the capacity for a patron to use their own wireless laptops in the library. Our computers have recently been upgraded through Plymouth State University's program of making computers available to local non-profits, libraries, and schools at considerable savings.

A new web-based circulation system is in the process of being implemented that will make recording what materials are in circulation as well as what materials are overdue much easier. Overdue notices and letters can be easily generated as well. This will make the process more efficient and save many hours of time currently spent doing this process manually.

The Trustees have continued to review the library's policies, many of which have been in place, unchanged, for decades. The process of review is to ensure that the policies currently meet the needs of the community. For example, in 1950 there was no language in the policies concerning computer use.

As Trustees, we endeavor to have Webster Memorial Library meet the needs of the community. Public response is always welcome at our monthly meetings, currently set at 6:00 PM at the library on the fourth Monday of each month.

ACCOUNTANTS' COMPILATION REPORT

To the Board of Selectmen,
Wentworth, New Hampshire:

We have compiled the accompanying financial statements of the governmental activities, each major fund, the aggregate remaining fund information, and fiduciary fund information of Town of Wentworth, New Hampshire, as of and for the year ended December 31, 2008, which collectively compose the Town's basic financial statements as listed in the table of contents, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management's discussion and analysis, on pages two through six, and the combining non-major fund financial statements presented in Schedules 1 and 2, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting standards Board. Supplementary information contained in schedules 3 and 4 is presented for purposes of additional analysis and is not a required part of the basic financial statements. We have compiled the supplementary information from information that is the representation of management, without audit or review. Accordingly, we do not express an opinion or any other form of assurance on the supplementary information.

A handwritten signature in black ink that reads "Crane & Bell, PLLC". The signature is fluid and cursive, with "Crane" and "Bell" being the most prominent parts.

Dear Friends,

This year has been an exceptional tough year, not only for our region, but the entire country. We realize that all of our communities have struggled with budgets and the economic hardships of its citizens and we hope that North Country Council has been able to help. We would like to thank all of you for your support of the North Country Council this past year.

We continued to deliver planning services throughout the region. We have and we will continue to adjust our capacities to respond to the needs of the communities and you will see this in the programs that we will be introducing in the coming years. We are continuing our Community Outreach program targeted at helping our planning boards in the difficult tasks of managing the planning activities in their communities. These programs, as well as all the traditional programs in master planning, solid waste management, natural resource planning, Brownfields Assessments and transportation planning, will continue to be a focus of North Country Council. Our primary focus this year has been on economic development as we try to respond to the economic downturn in the region. We continued our strong relationship with the Department of Commerce and the Economic Development Administration (EDA) in bringing funding and project development to the region. We applied for and received a number of very significant grants from EDA for the region as well as a significant Brownfields Grant from EPA.

Again, thank you for all of your support for the Council. I hope that my staff and I can continue to be of service to your community. The Council is here to serve you. It is your organization. Our staff and Board are committed to responding to community need. If there is a project or a need in your town, please call us. We are dedicated to both supporting our individual towns and promoting regional unity in the North Country.

Thank you for the Town of Wentworth's recent check for \$1,733.00 in support of the home health and hospice services provided to town residents by the Visiting Nurse Association & Hospice of Vermont and New Hampshire. Like you, we are concerned for the well-being of our friends and neighbors in the communities we serve. We are committed to providing the highest quality home healthcare, despite the economic challenges facing us all.

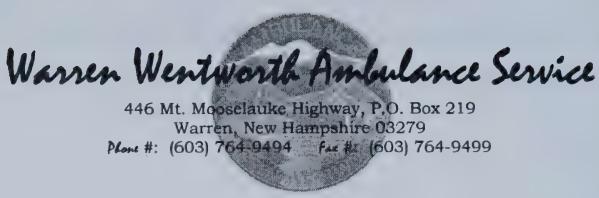

As the safety net for patients, families and the communities we serve, our programs provide compassionate, cost-effective care and health and wellness education to more than 6,000 people each year.

The Town of Wentworth's financial support helps us, as a non-profit, to meet the needs of people from birth to the end of life. We are very grateful for your generosity.

If we can provide information to your residents or make a presentation about our services, please call 888-300-8853. Our website, www.vnavnh.org, is another source for background on our programs.

Sincerely,

January 2010

Most of us will look back on 2009 as a *rocky year*. The Warren Wentworth Ambulance Service was burdened with the same *millstone* as other individuals and business in the community: The concern of ever rising fuel and supply costs in an environment of decreasing revenue. In our efforts to help offset the high cost of medical care, WWAS has continued to provide EMS support at both the Canaan Lions Motocross Track and the racetrack in South Wentworth (Rattlesnake Motordrome; The Legion Speedway, The Pines Raceway). We have continued with our fundraising: The Penny Social, Easter Pie Sale, and Lobster Bash. Also this year we were the recipients of the generosity of the family and friends of Bob Thayer as they donated the proceeds from the Party at the Hangar to the Ambulance Service, and we were honored to be a part of such a wonderful way to remember a wonderful man! We were also the grateful recipients of many memorial gifts in the names of their passed loved ones. In such difficult times it is so appreciated to receive this tangible proof of support from the members of the communities we serve.

Despite the financial challenges we all face, it was also a year of triumph and growth. Our *milestones* reached: We provided care in a record 506 calls in 2009! I recently read our report to the towns from 1979, that year we had doubled our call volume to 57, my how times change! We have been able to provide paramedic level coverage an average of 5 days a week. This means advanced care is available to our patients about 30 minutes sooner than when we have to transport at a non-paramedic level. We added C-PAP (respiratory/breathing support), Duo-neb (a more advanced respiratory medication) and IO access for medications for code patients at the Intermediate level. We have added 4 new members to strengthen our numbers. We continue to train our members and to be involved with the training of others involved in our EMS district. We have continued to provide primary ambulance support to North Dorchester and Glencliff, as well as mutual aid in Rumney and North Groton. We have had a very busy year!

In the face of the battles and both the victories and defeats that they bring, the members of the Warren Wentworth Ambulance have always remained true to the *keystones* of the Service. To provide the best care possible to the families of Warren, Wentworth, North Dorchester and parts of Piermont. To that end they have freely given of their time and talents, not only to go on calls, but to attend meetings and trainings, to participate in fundraisers and man racetracks. Often at the expense of time spent with family and friends. In that light, I give my heartfelt thanks to the members of this service and to their loved ones who sacrifice so much in service to this community.

Sincerely :
Brian Clark Chief/President WWAS

Board of Selectmen
Wentworth Town Office
PO Box 2
Wentworth, NH 03282

Dear Members of the Board of Selectmen:

It has been another very stimulating year at Cottage Hospital. We have had a mixture of progress, opportunity and challenges. This year we put a substantial focus on our Quality, Patient Safety, Core Measures and Transparency. We attained many goals on behalf of the communities that we serve. One highlight included our implementation of EMAR, which is an Electronic Medication Administration Record, that is designed to reduce the potential of medication errors and to allow for a more efficient process.

We did not fare particularly well financially this year. We believe the general economy, the unemployment rate, which has caused many people to be uninsured, and the advent of new insurance plans with high co-pays and deductibles, have had an impact on our bottom line. Our volume this year was essentially static on in-patient admissions and there was a decrease in outpatient services. This problem was not unique to Cottage, and we think to some degree we echoed what was happening in the rest of the country.

At Cottage Hospital we are all very proud of the individualized care and safety that we are able to give to our patients. Time and time again, we hear about the outstanding care that patients and family members have received while with us.

We know our communities are supportive of our organization, and we are extremely grateful for the financial support that our area towns have provided over the years. Although funds are always needed and welcomed at Cottage Hospital, we know there are many worthy organizations also asking for money this year and the Cottage Hospital Board of Trustees has decided **NOT** to ask the towns for financial support for the sixteenth consecutive year.

We thank you for your continued support and pledge to continue to do our best to provide you and your families with the highest quality of healthcare possible.

We hope that you will share this message in your 2009 Annual Report, and we will forward our 2009 Annual Report to you as soon as it is available. Best wishes for a happy and healthy new year.

Sincerely,

Reginald J. Lavigne

WENTWORTH CONSERVATION COMMISSION 2009 ANNUAL REPORT

This year we inspected many places for work that was being done. We offered some suggestions as was needed.

We are still monitoring the Baker River and collecting samples four times in the summer months of June, July, August and September to make sure that anyone in the water will be safe.

Many places were inspected during the year for flooding, wetlands etc.

About CASA NH

Court Appointed Special Advocates (CASA) of New Hampshire recruits, trains and supervises volunteers to serve as advocates for abused and neglected children in the New Hampshire court system. As part of the national nonprofit organization [National CASA \(NCASA\)](#), we envision a world in which all children are safe, nurtured and living in permanent homes.

Our History. Court Appointed Special Advocates (CASA) originated around the belief that all children must be valued, protected, and defended.

In 1974, Congress enacted legislation that required the appointment of a *Guardian ad Litem* (GAL or "guardian of the case") to promote and protect the best interests of children in cases of abuse and neglect. While the legislation did not specify that GALs must be attorneys, they were the likely and typical appointees. It soon became clear, however, that legal and social work professionals did not have sufficient resources to effectively advocate for these children.

In 1977, a Seattle judge recognized this deficit and began using citizen volunteers to serve as GALs. His premise was that the child welfare and juvenile justice systems do not want children further damaged, but lack the resources and singleness of agenda to focus adequate energy on the child, alone. Furthermore, he believed that there are capable and caring citizens from every walk of life who genuinely want to help hurting children if they only had opportunity and a bonafide means to do so. CASA provided just such a vehicle and has now advocated for over one million children.

Ten years after its inception on a national level, Marcia "Marty" Sink of Manchester, New Hampshire recognized a similar need in her own state. Inspired and challenged by her experience as a foster parent, Marty began a pilot program. Founding members orchestrated a comprehensive, effective, and accountable method of screening, training and supervision by experienced staff professionals. As a result, CASA could provide everything needed for a truly unique volunteer opportunity that allowed ordinary people to break through the typically closed environment of the courtroom.

Initially, many members of the judicial system believed that an organization relying on non-attorney, community volunteers to perform in the emotionally charged and legally complex world of family law would be ineffective. In 1989, however, CASA was incorporated as a private 501(c)(3) organization with ten volunteers in two courts, and the work began.

As a result of a focused mission and consistently well-managed cases by trained volunteers and staff, the walls were slowly broken down. Court by court, judges began to allow CASA entrance while word spread that unpaid *Guardians ad Litem* could do a respectable, even admirable, job defending the best interests of vulnerable children. Now, state judges have come to rely on CASA/GALs as the voice of reason in a confusing and complex legal system.

CASA of New Hampshire still carries the noble vision of providing an advocate for every abused and neglected child in the New Hampshire courts. Through its corps of conscientious and compassionate board members, committee personnel, volunteers and staff, CASA has grown to establish itself as a formidable player in the state's child welfare system in protecting children.

WENTWORTH HISTORICAL SOCIETY

The Wentworth Historical society wishes to thank you for your continued support of our efforts.

The Museum had a strange occurrence this past year. It seems like an animal of some sort wanted to get into our attic. It tore the siding shingles off of the peak near the roof. It must have been a squirrel or racoon.

We were able to get a new insurance company to insure the building for \$200.00 less than we were paying. It also insured the building for a greater replacement value. As you know, none of the artifacts can be replaced, therefore they can not be insured.

Wentworth Market Day, the 1st Saturday in August had an excellent turnout with twenty one booths taken around the common. As you all know this is our only fund raiser except for the generosity of the town folks at Town Meeting.

We are open every Saturday from 10AM to 2PM from the Saturday closest to Memorial Day until the Saturday closest to Labor Day. Please feel free to come in and see your town's artifacts and many pictures of Wentworth in years past.

We would like to see more younger people become active members so that the society can grow and remain active. As the saying goes "We are not getting any younger". The Historical Society will continue to meet the third Thursday of the spring, summer, and fall months. Help preserve our past.

Pemi-Baker Home Health & Hospice/Aquatic & Wellness Center 2009 Annual Report

Mission Statement: At Pemi-Baker Home Health & Hospice our Mission is to provide quality home care, wellness programs, aqua therapy and hospice services.

Pemi-Baker Home Health & Hospice/Wellness & Aquatic Center has been providing health care services for forty-two years, working collaboratively to meet the healthcare needs of the community. The organization offers a full continuum of high quality healthcare and wellness within its financial resources to optimize health for all, through Wellness, Outpatient Rehab, Homecare, and Hospice programs.

Services that we provide to the people and families in the town of Wentworth are a safety net and this is a time they are needed the most. They include:

Hospice - *A philosophy of care that accepts death as the final stage of life with the goal of enabling patients to manage symptoms so that their last days may be spent with dignity and quality, surrounded by their loved ones. It is the care of the whole person and focuses on the quality rather than length of life.*

Homecare - *There is no place like home and most people want to stay at home as they age or recover from an illness, injury, or surgery. People want choice and control over their everyday decisions and healthcare decisions are no exception. Includes: Geriatric, Newborn Nursing Assessment, Obstetric/Pediatric Nursing, Homemaker Services, and Intravenous Infusion.*

Community Outreach Programs - *Clinics for immunization, blood pressure monitoring, foot care and health education programs, home safety assessments, and wellness program.*

Outpatient Therapy -

- ◆ **Physical Therapy** (*therapeutic exercise, aquatic therapy, manual therapy techniques, therapeutic activities, gait training, massage, neuromuscular re-education, ultrasound, iontophoresis, electrical stimulation & wheelchair management*)
- ◆ **Wellness Programs** – *Investment in wellness is an investment in health and wellbeing. Promotion of wellness optimizes health, productivity and a sense of wellbeing.*

INITIATIVES in 2009 include:

- ★ Bereavement Program to provide support for families who have lost a loved one
- ★ Hospice Volunteer Training over a six week period with ten participants.
 - Hospice Volunteers provided many hours of service to patients and their families
- ★ Hosted flu clinics in October for community residents.
- ★ Held the Annual Hospice Memorial service on September 13, 2009 at the Church of The Holy Spirit in Plymouth.
- ★ Free Clinics at the Plymouth Regional Senior Center for community members
 - Foot Clinics to groom toenails and recommendations to physicians if necessary.
 - BP Clinics
- ★ Wellness Promotion
 - Women's Wellness Day on May 9, 2009
 - Collaborated with PSU, Mid-State Health, Speare Memorial Hospital, and Sound Advice to offer a Wellness Fair for the Community October 24, 2009

We appreciate and thank you for your ongoing loyal support of our services and our staff.

CADY Annual Report 2009 for Town of Wentworth

On behalf of our coalition, I would like to express our deep appreciation to members of the Wentworth Selectboard and the citizens of Wentworth for your 2009 appropriation. While most people were concerned about job security and their mortgages in 2009, those of us in the substance abuse prevention field were concerned about how the troubled economy would impact the health and well being of our communities. After all, research shows that extreme stress can have a major impact on mental health and substance use disorders. That's why at CADY, in 2009 we stepped up our efforts to prevent drug abuse, expand programs, and build even stronger partnerships throughout our Pemi-Baker communities, with the over-arching goal of protecting what we value most: our children.

Every day hundreds of local youth make a choice—a choice to use, or not use, harmful substances. The reality is—there are no walls long enough, or high enough, to keep illegal drugs out of our country and communities. Wentworth citizens clearly understand that substance abuse is a serious health and safety risk for our children and communities and that there is one cost effective solution to this big problem—Prevention!

CADY's mission is to help our youth make healthy and safe choices by working with communities and schools to prevent and reduce youth alcohol, tobacco, and other drug use and to promote healthy environments and promising futures. We serve the town of Wentworth and the Wentworth and Pemi-Baker Regional School Districts in various capacities with a focus on comprehensive, outcome-based prevention including environmental prevention strategies and evidence-based programs. Free community education programs and activities provided by CADY include: administration of bi-annual youth assessment (Teen Assessment Project Survey) at Plymouth Regional High School and community assessments; convening stakeholders in regional prevention councils; developing comprehensive media campaigns, including the weekly CADY Corner column in the Record Enterprise; hosting parenting workshops focused on strengthening family bonds; providing chem.-free school- and community-based activity programs for youth that promote resiliency including the Launch Youth Entrepreneurship Program with paid summer employment ; sponsorship of the Thriving in the Middle School Annual Youth Leadership Conference ; Dare to Be You and Guiding Good Choices parenting empowerment series; and accepting referrals to CADY Restorative Justice, this community-based juvenile justice program served 19 youth and families in 2009 and remains the sole court diversion program for the Plymouth District Court.

Major coalition accomplishments in 2009 include: receiving the Plymouth State University Campus Compact Partner Award recognizing CADY for our extensive community collaborations; publishing of the Southern Grafton County Databook (to access, please go to www.cadyinc.org); participation in the Carsey Institute study: “Navigating the Teen Years: Promise and Peril for Northern New Hampshire Youth” recognizing Newfound and Plymouth Regional High Schools for significant risk reduction and data outcomes; expansion of our media campaign by retooling and updating the CADY website with multi-dimensional functions; sponsorship of three full-page Halt the Harm newspaper advertorials in the Record Enterprise, launching of our Prescription Drug campaign “NOT What the Doctor Ordered” in collaboration with local police departments and Mid-State Health Center; submission of prevention articles to school newsletters; three fundraisers sponsored by Plymouth Congregational Church and SKUUF, our LAUNCH Youth Entrepreneurs won 1st place in the Common Man “Festival of Trees” and received a grand prize valued at \$2000 from the Common Man Inn; implementation of our first Annual Appeal Campaign; recognition of our volunteers for giving 5005 hours of service; new programs/initiatives include the development of “Think About It: You and the Law” presentation for students on the real-world consequences of breaking the law; three Webcast Lunch-n-Learn series were introduced to Pemi-Baker and Newfound regions. Finally, a major statewide policy initiative was spearheaded by CADY. Our signature program, Project Monitor, anonymous tip line was adopted as a statewide environmental prevention strategy by the NH Bureau of Drug and Alcohol Services, the Bureau of Liquor Enforcement and 2-1-1 New Hampshire. By calling 2-1-1 and sharing information about possible underage alcohol gatherings, Project Monitor Under 21 will prevent a potentially harmful situation from happening before it occurs. Please help us spread the word about this new tool because “a call to 2-1-1 may prevent a call to 9-1-1.” This new project is covered 24/7 by trained dispatchers and will eliminate fragmentation caused by multiple telephone numbers across the state, improve data collection, and better serve our communities. Overall, I am pleased to report that CADY has touched hundreds of youth and thousands of lives via direct service programs and outreach in 2009.

Thank you Wentworth for investing in the future of our youth!
Sincerely,
Deb Naro
Executive Director

Wentworth Volunteer Fire Department

2009 Report

Once again, another year has passed us by. This was a transition year for the fire department, with the passing of longtime Chief Roy Ames in November 2008. The annual elections in April saw Jeffery Ames as our new Chief with Paul Davis Jr. as the new Deputy Chief. The fire department members have been supportive during this transition. We are lucky to have the personnel that we do, it takes a lot of time and dedication from everyone to make it all work as well as it does.

This year you may have seen our cookbooks for sale at Shawnees, Burning Bush, and Warren Old Home Day and Wentworth Market Day. The sale of these books as well as the sale of the raffle tickets will go toward the purchase of a thermal imaging camera. This will enable us to see hot spot in a building or enable us to find a person in a building. The cost of these are about \$10,000.00 with hopes of raising most of the money through fundraiser and not with tax money. I would like to thank everyone who donated there time toward the sale of these items as well to everyone who purchased them. We do still have a few books left..

We saw the number of calls in 2009 decrease from last year but the hours of training continue just the same. The continued training with the Warren fire and the Warren / Wentworth EMS has helped our working relationship to continue to grow toward are goal which is to serve the public the best we can.

Our Fire explorer program has continued to grow with membership at 3 young adults, with hopes of even more. As in previous years we are always looking for new members 18 years of age and older to join are team to help better serve the town. Anyone interested in joining please contact a member to get information about doing so. Do not forget to change your batteries in your smoke and CO detectors. Fire permits are required for any outside burning unless there is snow on the ground.

Respectfully submitted
Deputy Paul Davis Jr.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L: 17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1- 800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

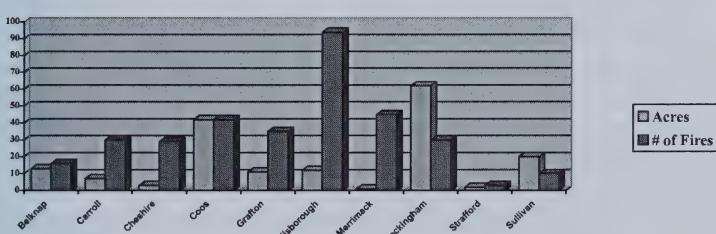

Spring fire season was unusually short this past year, with wet weather beginning the third week in April and lasting virtually all summer long. Consequently both the number of fires and the number of acres burned were below the last five year average. Due to state budget constraints, the staffing of our statewide system of 16 fire lookout towers was limited to class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookout towers are credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented this year by contracted aircraft and the Civil Air Patrol when fire danger was especially high. Surprisingly the largest single fire this year occurred in late November during an unusual dry spell, in the northern Coos County town of Clarksville. This fire burned 17.1 acres and is presumed to have been caused by a careless hunter. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2009 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

WENTWORTH POLICE DEPARTMENT

2009 Annual Report

With 2009 behind us, your Police Department had a busy year. The total number of calls were up by just over 75 calls or 10%, and we also saw a 30% increase in our dispatch activity. What does this mean? More people are calling on your Police Department to assist them.

2009 saw the deployment of our radar speed sign that we used in several areas over the spring, summer, and fall. Its placement on Route 25 in the 30 mph zone on heavily traveled holiday weekends did slow people down. We know this because we did our own radar near the sign and saw a massive decrease in the amount of people going too fast. The feedback when the sign was on our Town roads also was positive. The sign is able to track a lot of things, one of which is the car count one-way. So what Town road is the busiest? N. Dorchester Road with 230 vehicles one-way, per day (average). East Side Rd = 183, Buffalo Rd = 80, Atwell Hill Rd = 74, Cape Moonshine Rd = 57, Rowentown Rd = 51, and Beech Hill Rd = 48. Once the weather gets better we will start its use again. We hope you appreciate the efforts in utilizing this tool.

In 2009 we saw Officer Michael Gagnon depart, and Officer Amanda Hutchins come on board. Officer Hutchins came to us as a full time certified Officer who is employed full time as a Sergeant at Plymouth State University PD. She is a welcome addition to our department.

In August we promoted Officer Joseph Pivirotto to Sergeant. Sergeant Pivirotto has proven himself time and time again as a great asset to this department and this Town. His knowledge, experience, and dedication, deserved to be recognized thus this promotion with no extra money.

Some other information for 2009: We provided 1901 hours of patrol, covering 19,110 miles, and completed 392 hours of paperwork. Our Officers attended 234 hours of free training. The office was open to the public regularly for 350 hours. We generated \$7,646 in revenue from detail reimbursement, pistol permit fees, fines, and court fees.

2010 is here and we are concerned with some of our fixed costs increasing such as dispatch, prosecution, and phones. With little to no other options available we are doing the best we can to keep the budget as low as possible without sacrificing the service you have come to expect.

An item I am asking you to support is a revolving fund for our details. This takes the line item called "details" out of our budget PD budget all together, which has been artificially inflating the PD's bottom line. For example on paper it shows the Police Department spent \$65,984 in 2009 when in reality it cost you the tax payer \$59,746. When someone requests a detail the Town is reimbursed 100%, plus an administrative fee. A lot of Towns utilize this revolving fund and given that we have a lot of detail requests in this Town, not being able to predict how many hours we might be requested, it just makes better sense to have a revolving fund. This way when someone pays for a detail it goes in, and equal amounts are paid out on the other end, this takes the guess work out of budgeting for an unknown. The Selectmen have control over this fund not the PD. This gives you a clear and accurate cost of what it takes to operate the Police Department because again details are a wash item.

We hope you are happy with your Police Department. All of the members of Wentworth PD are dedicated professionals who care about this Community and we will continue to provide the best possible service we can to you at the lowest cost possible. Feel free to contact us or come by during our business hours every Tuesday from 5pm – 10pm.

Respectfully submitted,

Kevin M. Kay

Ammonoosuc Community Health Services, Inc.

Board of Selectmen
Town of Wentworth
P0 Box 2
Wemworth, NH 03282

October 13, 2009

Dear Selectmen,

Ammonoosuc Community Health Services Inc. (ACHS) is requesting an appropriation in the amount of \$2,500 from the Town of Wentworth for 2010. This amount will help us to continue to provide high quality healthcare to our **169 Wentworth patients** and to reach more of those who are in need of our services.

ACHS has been a vital part of the community for 35 years and while many of our services are paid for through Medicare, Medicaid and grants, we have seen our patient population increase substantially over the last several years due to economic conditions and the increase in the uninsured and under-insured population. Unfortunately, our reimbursements through federal, state and county programs fall short of actual expenses.

ACHS serves 26 towns in northern Grafton and southern Coos counties and has sites located in Littleton, Franconia, Whitefield, Warren and Woodsville. **As a Federally Qualified Health Center, ACHS provides comprehensive preventive and primary healthcare to anyone, regardless of their insurance status or ability to pay.**

Clinical teams at ACHS are made up of doctors, nurse practitioners or physician assistants supported by nurses and medical assistants and in 2009 provided the following comprehensive services to approximately 10,000 patients:

- On-site Perinatal services
- Family Planning services
- HIV Counseling and Testing
- CSFP food distribution
- Oral Health services
- Family Support services
- Well Child Health services
- Cancer Screening services
- WIC services
- Diabetes Care
- Depression Care and Screenings

On behalf of Ammonoosuc Community Health Services' board of directors, staff and patients we would like to thank you for your continued support.

Sincerely,

Edward D. Shanshala II, MSHSA, MSEd
Executive Director

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Wentworth, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Wentworth Elementary School on Saturday, the sixth (6th) day of March, 2010 at 3:00 o'clock in the afternoon to act upon the following subjects:

- Article 1: To see what action the School District will take relative to the reports of agents, auditors, committees and officers.
- Article 2: To see if the School District will vote to approve the cost items included in the recently negotiated collective bargaining agreement reached between the Wentworth School Board and the Wentworth Education Association which calls for the following increases in salaries and benefits:

<u>Year</u>	<u>Estimated Increase</u>
2010-2011	\$13,824

and further, to raise and appropriate the sum of thirteen thousand eight hundred twenty-four dollars (\$13,824) for the 2010-2011 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at the current staffing levels paid in the prior fiscal year. (The School Board recommends this appropriation. Majority vote required.)

- Article 3: To see if the School District will vote to raise and appropriate the sum of twenty-two thousand nine hundred seventy-five dollars (\$22,975) to increase the present 50% Kindergarten teacher to a full-time position. (The School Board recommends this appropriation.) (Majority vote required.)
- Article 4: To see if the School District will vote to raise and appropriate the sum of one million two hundred twenty-one thousand ninety-eight dollars (\$1,221,098) for the support of schools, for the payment of salaries for the school district officials, employees and agents and for the payment of statutory obligations of the District. This amount also includes the sums found in Articles 2 and 3. (The School Board recommends this appropriation.) (Majority vote required).
- Article 5: To transact any further business which may legally come before this meeting.

Principal's Report
2009-2010

The enrollment and grade distribution at Wentworth Elementary School is as follows for the 2009-2010 school year.

Kindergarten (2)	Grade 1 (12)	Grade 2 (6)
Grades 3 & 4 (14)	Grades 5 & 6 (12)	Grade 7 (4)
Grade 8 (8)	Total Enrollment (58)	

I am pleased to share that Wentworth Elementary School now has all their students on campus. Our relationship with Warren Village School ended with the 2008-2009 school year. Between the state of New Hampshire Building Aid and the town of Wentworth, construction was complete over the summer to build a new kindergarten classroom.

The school also had several other building upgrades. A new computer lab/media center and library was built, much needed repairs to the gym was undertaken. Interactive "Smartboards" were installed in each classroom. In addition to these upgrades, all remaining asbestos was removed from the school. With all of these improvements to the learning environment, teachers and students alike will have the quality tools they need for teaching and learning.

We have several new staff in our learning community this year. Mr. Nick Gagnon teaches seventh and eighth grade math and science, Ms. Erin Kindl teaches our first graders, as well as Ms. Molly Lash in our Kindergarten, and Ms. Karen Flynn is our new librarian.

We continue the yearly trip to the White Mountains of New Hampshire with grades 7 and 8 for their experiential education program, a trip to Billings Farm and Museum in Vermont for grades 1-4 as well as several other field trips planned this year.

WES continues its relationship with Northern Stage from White River Junction, Vermont. This year, grades 4-6 will have the pleasure of working with this organization in a program called Jr. Producers. The program design is to increase the reading and writing skills of these students.

Wentworth Elementary School was selected as the only school in New Hampshire by the National Staff Development Council (NSDC) to participate in the Learning School Alliance. Over the next two years, WES will collaborate for learning by engaging in professional development designed to change practices and increase student achievement. This is an impressive honor for this small rural school.

It is with pride that I submit this report to the Town of Wentworth. This community should be very proud of its school, its educators, and most of all, its students.

Respectfully submitted,
Keith L. Charpentier
Principal

SUPERINTENDENT'S REPORT
2009-2010

The 2009-2010 school year has been a challenging moment in time for our families and communities. The economy has affected all of our lives, each of our schools has attempted to respond to the individual needs of our students and their families. We would like to thank all of our citizens for their kindness, generosity and support.

Teachers and administrators in SAU #48 are continuing to focus on curriculum, assessment, and data-driven decisions to analyze and improve student achievement. In addition, we are bringing teachers and administrators from all of our schools together to solve problems, clarify curriculum, and discuss best practices. Teachers have taken leadership roles in these discussions during a K-12 SAU In-service in August and an SAU In-service Day in January of this year. During these in-service days, we have addressed issues that affect daily instruction and our students' total educational experience, preschool through grade 12. These dialogues have included curriculum development by grade level and content areas, social issues, technology, and collaboration among all of our schools. Our teachers have used professional development opportunities to have a clear understanding of all critical aspects of education as educational philosophy and practice evolve using 21st Century skills.

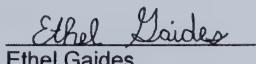

Additionally, teachers have been actively presenting at national and state conferences. A team of Plymouth Regional High School mathematics educators presented their action research mathematics project at the National Staff Development conference in Boston during July 2009. At the Christa McAuliffe Technology Conference in Nashua during December 2009, Wentworth educators showcased digital portfolios as an integral part of their student led conferences. The library personnel have been meeting monthly to collaborate on K-12 library media curriculum; all K-12 school libraries are now online.

This year, we will continue to move as much information as possible on to our school web sites. We are attempting to not only become as "paperless" as possible, but to allow our parents and citizens access to all of the information they need to become fully involved in their students' education and their community's schools.

The three of us wish to thank all of our Board members, staff, volunteers and residents for their support and commitment to public education.

**WENTWORTH SCHOOL DISTRICT
SCHOOL NURSE REPORT
2009-2010**

The 2009 school year started off with many recommendations from the state for Influenza like illnesses (ILI), which is what directed my start to the school year. There were letters sent home, updates to the schools website, posters hung and many questions answered regarding this flu season. Teachers stressed the importance of good hand washing and followed through by having students wash their hands throughout the day. Parents kept their sick children at home and when the children became ill at school, children were sent home with understanding parents.

Unfortunately, Wentworth was one of the first school's in our SAU to have ILI. At one point our school absenteeism due to ILI was about 15%. After three weeks the illnesses settled down and school returned to normal.

This year Mt. Moosilauke provided a free flu clinic to all WES students, siblings and staff choosing to receive the seasonal flu vaccine. They received some H1N1 vaccine and on the night of the clinic they offered it to those people receiving the seasonal flu vaccine. This was much appreciated by those receiving their services.

New this year to Wentworth are free snacks of fruits and vegetables to all of the school 2-3 times a week. This is due to a grant received from the National School Lunch program.

Also, new this year to our school is HEALthy Schools Initiative. The program offers support to the school while teachers/staff work to promote the health of our children by improving nutrition and physical-activity within our school community.

Providing we continue to be ILI free, screenings will continue along with sports clearance physicals and all the events that usually take place during the school year.
